PARKING CUSTOMERS

HOW TO USE: CARD PAYMENT

HOW TO USE: MULTI-SPACE PARKING METER

HOW TO USE: PARK SMARTER™ MOBILE APP

Look at the Pay Station Smart Meter screen and find parking rates, hours, time limits and other important information. If screen is dark, press any button and it will light up.

It is recommended you take a picture of your license plate number or write it down before leaving your car.

Either enter plate number or insert debit/credit card. IntelliTouch will prompt you through the remainder of the transaction.

With the **[+]** and **[-]** buttons, select your payment amount.

If paying with debit or credit card, wait for authorization of the card. Visa, MasterCard and Discover are accepted.

Press the **[OK]** button to confirm your payment, or **[CANCEL]** button to stop your transaction. The meter will attempt to authorize the payment shown on the screen if neither button is pressed after 5 seconds.

The display will then show the amount of paid time approved and when your time is up (if there is an issue with payment, another form of payment will be requested at this point).

Print and remove receipt if requested. Receipt may be kept with you. Go to MyParkingReceipt.com to get an email copy of your receipt.

If using the PARK SMARTER™ app – extend your parking session as needed.
